OGLETREE DISAPPOINTED.

His Sweetheart is Not of Age and He Could Not Obtain a License.

A. Melvin Ogletree came through the country 25 miles yesterday from Graham armed with a written order from the parents of his sweetheart to the county judge to issue a license. When the young man appeared at the office of the county judge this morning he was informed that the written notice was not sufficient and that he would have to obtain from the parents a statement under oath. Ogletree is a young man scarcely of age, and his sweetheart is too young to marry in Oklahoma without the consent of her parents. Undismayed, the young man left this morning for his home and promised to appear again armed with all the necessary papers to get a marriage license. The young lady is Miss Randolph.

New Cars Coming and the Tracks of the Railway Company Being Put in Fine Shape—Iowa Bankers Are Well Pleased.

Capt. Ira L. Reeves and a couple of bankers from Iowa have been in the city this week making plans for improvements in the street railway line. The board of directors was to have held a meeting this morning but the Iowa people had to return home at noon and the morning was spent driving them over the city. The directors meeting will be held this afternoon at four o'clock. It is planned to spend considerable money in improving the line that is already built. New cars have been purchased and one of the cars is now ready for shipment. News received today from the electric people who are furnishing the motors for the cars state that they are ready to carry out their part of the work. The improvements will include switches or stoppers which are made necessary for the passing of cars when additional rolling stock is put into operation.

During the summer about \$20,000 will be spent on Lorena park at the end of the car line. Concessions for a skating rink, theatre, bath house, boating, figure 8 and other amusements will be secured and it is hoped that the park will be ready for the opening by the first of May. Messrs. Craven and Mori who have been here from Melton, Iowa, are well pleased with the city and with their investments here and are ready to spend more money in the city.

Capt. Reeves will leave here tomorrow and after spending a day at his home in Muskegon, will go to Saint Louis to see about other cars and matters concerning the street railway.

THE CARTER COUNTY FAIR

BEST LOCAL TALENT COUPLED WITH A HUNDRED CHILDREN AT OPERA HOUSE.

TO BE REPEATED TONIGHT

The Teddy Bear Chorus Was a Feature Karl Teigens From the Father Land Made a Hit With the Hayseed Chorus—Big Crowd in Attendance.

The Carter County Fair given at the Robison opera house last night and the success of St. Phillips and J. was a first class entertainment from start to finish. The dialogue was full of funny expressions and the musical numbers were bright and timely. The costumes were very cleverly gotten up and the stage setting was so that could be desired.

Every one who helped to make up the roster of the play seemed to be specially fitted for the part assigned to them. Special mention should be made of Miss Mary Lowman, Mr. W. E. Dege, Mrs. Arthur Walcott, Mr. J. B. Chalmers, May Williams and Bob Gardner. They were in the center of the stage most of the time and by their clever work kept the large audience in one continuous round of laughter.

The Teddy bear chorus led by Martha Roper, the "Be Sweet to Me Kid" chorus, led by Gladys Gifford, "My Mexico" led by Daisy Mand Webb, "Chevonne" led by Miss Mies LeGendre, "Take Me Out to the Ball Game" led by Mary Smith, were all well rendered and each number was well received by the audience.

Special mention must be made of the "Cuddle Me Up" song led by Miss Leander Dean. She not only sang well but danced gracefully. She was ably assisted by a number of handsomely dressed young ladies and faultlessly dressed young gentlemen. The "Hayseed Chorus" led by Mr. Karl Teigens was a rollicking number. The "Gibson Man" chorus led by Miss Leila Smith was a pleasing feature and the "See Saw" song as rendered by Miss Abby Hanna assisted by a large chorus was a fitting finale to an all round good amateur show.

The entertainment will be repeated tonight and the curtain will go up promptly at 8:15 o'clock.

Special Notice.

The parish meeting that was to have been held at St. Philip's church last Sunday, but which was postponed on account of the stormy weather, has been called to meet next Sunday, the 21st, immediately after the 11 o'clock service. Every communicant of the parish is urged to be present. There will be a meeting of the Vestry in connection with the meeting.
